## How to activate your services

**Great news, your service is already activated!**

If you want to add additional services or upgrade, call **855-512-8876** or visit a Cox store. To find a Cox Store near you, visit [cox.com/stores](https://www.cox.com/stores).

## Here's how you can get online in minutes

### Plug in and set up

Make sure your gateway's power cable is connected to an outlet. Use the network name and password on the bottom of your gateway to connect your wifi-enabled devices.

Network Name	Password
Network Name (SSID): MyHomeWifi-123	 SN: 100000100000100000
Password: Cox123	 CM MAC: 10:XX:00:XX:10:00
	 MTA MAC: 10:XX:00:XX:10:01

Network information above is for illustration purposes only.

## More services

Upgrade your existing service or add\* others like TV or Voice by calling **855-512-8876**.

## At move-out

If you have any additional services beyond the core services provided by your property, call **855-512-8876** to disconnect or transfer your service to your new address.

**If not, your account may remain active until the next resident moves in.**

## Assistance

Need technical assistance? Call **855-512-8876** to speak with our designated support line.

Cox has an agreement with this property to exclusively market our services, but that does not mean we are your only option. Other service providers may be available.
